

817 Dublin Street:

The property 817 Dublin Street is considered to have heritage value for the following reasons:

- The house was built by A.E. Chittick in 1922, making it 87 years old in 2009.
- It is one of six houses in the Moody Park neighbourhood still extant from 1922.
- The house is an excellent example of the Arts and Crafts architectural style and features a full width front porch with wide front stairs and low cheek walls that lead to the front door.
- The design and most of the exterior features are original.
